Dear Members, Ladies and Gentlemen

With these lines, we take the liberty to **remind** our members and other interested parties of our Iran event taking place on **Wednesday, 26th June 2019, in Zurich**.

The event is being organised in cooperation with our partner organisation, the Swiss-Iranian Chamber of Commerce and Industry^{EST1976}, SIHIK.

Under the heading of „**Iran still under US sanctions**“, we will inform about latest developments in the fields of geopolitics, macro-economics, doing business in/with Iran, finances, humanitarian, and then discuss with experts about the current situation in and around Iran and the prospects. Finally, we will conclude with a networking apéritif.

The event will take place **in Zurich at Stampfenbachstrasse 85**, close to Marriott Hotel and tram stop “Beckenhof” (trams no. 11 and 14).

See Flyer with program details in attachment.
